# Acme Retail – Shipping Guide

## 1. Delivery options

Standard delivery takes 3 to 5 business days in Germany, France and the Benelux. Express delivery arrives the next business day when ordered before 12 noon. Express delivery costs 9.90 EUR and is not available for bulky items. Same-day delivery is offered in Berlin, Paris and Amsterdam for orders placed before 11 am. Click and collect orders are ready in store after 2 hours and kept for 7 days.

## 2. Carriers

Parcels in Germany are shipped with DHL, in France with Colissimo and in the Benelux with PostNL. Furniture is delivered by our own two-person crew who also unpack and remove the packaging. Parcel lockers can be chosen as delivery address for parcels up to 20 kg.

## 3. Delivery times by season

During Black Friday week, add up to 2 business days to the usual delivery time. Orders placed after 20 December are not guaranteed to arrive before Christmas.

## 4. International shipping

We ship to 31 countries, including Switzerland, Norway and the United Kingdom. International standard shipping costs 12 EUR and takes 5 to 10 business days. For Switzerland, Norway and the United Kingdom customs duties are paid by the customer on delivery. We do not ship to PO boxes outside the EU.

## 5. Tracking

A tracking link is emailed as soon as the parcel leaves the warehouse. Tracking can take up to 24 hours to show the first scan. You can change the delivery date in the carrier app once tracking is active.

## 6. Lost and late parcels

A parcel is considered lost if tracking has not changed for 7 business days. Lost parcels are re-shipped or refunded after the carrier investigation, which takes up to 10 days. If express delivery is late, the express fee is refunded automatically.

## 7. Missed deliveries

After a missed delivery, the carrier tries again the next business day and then leaves the parcel at a pickup point. Parcels are kept at the pickup point for 10 days before being returned to us. Returned undelivered parcels are refunded minus the original shipping cost.

## 8. Packaging

All boxes are made from 100 percent recycled cardboard and are paper-taped. Orders can be shipped in a gift box with a handwritten card for 3 EUR. Invoices are sent by email only and never included in the parcel.

## 9. Delivery address

The delivery address can be changed until the order status shows Packed. We cannot redirect a parcel once it has been handed to the carrier. Orders over 1,000 EUR require a signature on delivery.

## 10. Contact for delivery questions

The delivery team answers on chat from 8 am to 8 pm, Monday to Saturday.
